

Transition Programme for P7

As part of our approach to prepare your child for the upcoming transfer from Primary to Secondary school, our school are hosting a transition programme for the P7 pupils next week. The first part of the programme is delivered to pupils during school on Monday. The Transition programme is delivered by REIM Training solutions and is funded through our Extended school's partnership with St Joseph's Crossmaglen.

The second part of the programme is delivered **via Zoom at 5pm** on Monday 16th **and involves parents and pupils.** Please see details below. We would encourage as many parents to take part as possible as in previous years the feedback regarding the information shared has been very positive. The meeting access codes for Zoom are as follows.

I will reissue the code via text message on Monday.

Thank you for your continued support.

P. Quinn
