Dear P6 Parent/Guardian

Normally at this time of year, our P6 pupils who intend to sit the transfer test in November 2020 will be given additional work by the teacher to complete. Transfer preparation work is always **additional to the regular P6 school work and is optional. Pupils who know that they will not sit the test can also do the additional work if they wish.**

We are now making available a work pack designed for parents to support their children in transfer test preparation in Term 3. We are making these packs available for any P6 parent who wishes to have one next week. The school will be open from **10am-11.30 am on Monday 11th May** for any parent who wishes to collect a Transfer work pack for their child.

The pack is published by Fairfields and contains a workbook that covers key areas of Literacy and Numeracy. It also has 10 separate tests. A test can be completed each week when the workbook is complete. Helpful explanations and all answers are included in the pack.

We would encourage all P6 pupils to continue to complete the school work that Mrs McMahon posts on the website each Monday and then use the transfer pack as additional work.

In this time of uncertainty, the transfer procedure for next year is not clear. We will endeavour to inform parents should there be any developments.

If you intend to collect a pack on Monday, please remember social distancing guidelines when entering the school. Parents can enter via the main door and collect the work pack in the hall.

Yours sincerely

Mr P.Quinn

Mrs O . McMahon
